Eternal Images: Ancient Egyptian Art Through the Ages

Resource List | September 22, 2010 – January 15, 2011

When most people think of Egypt, the Great Pyramids, mummies, and the monuments along the Nile immediately come to mind. Ancient Egypt has been an object of intense interest for centuries, and their art is at the center of this interest. The art of Ancient Egypt has an uninterrupted 3,000 year history. In this book display, we have included titles about Ancient Egyptian art from all of the major periods, along with the major art forms. We have also included a section about animals in Ancient Egyptian art, and a section about Western interest in Ancient Egypt. The “For Further Reading” section lists more titles and includes works from the collections of the Educator Resource Center and the Spencer Art Reference Library, as indicated.

If you have questions, please contact the reference staff at the Spencer Art Reference Library (telephone: 816.751.1216). Library hours and services are listed on the Museum’s website at www.nelson-atkins.org.
