Niki de Saint Phalle

Resource List | 2024

This bibliography explores the work of Niki de Saint Phalle, a creative and innovative twentieth-century French American artist, made to accompany the exhibition *Niki de Saint Phalle: Rebellion and Joy*. Niki de Saint Phalle used her art to rebel against the patriarchy and her own childhood trauma while creating her own visual mythology in celebration of strong women. Included in this guide are books about Niki de Saint Phalle's career, as well as journal, newspaper and magazine articles, and online resources.
